TRANSFER OF JURISDICTION

Reference is made to the above-indicated individual who was sentenced by the Honorable Ronald Buckwalter of the Eastern District of Pennsylvania as indicated above. Figueroa was released from custody effective September 5, 2006, and commenced supervision in this district.

The purpose of this memorandum is to request that jurisdiction be transferred to the Southern District of New York. This request is based on Figueroa's extensive ties to this district. On January 8, 2007, Judge Buckwalter agreed to a transfer of jurisdiction and executed the Probation Form 22.

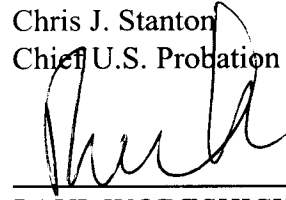

Enclosed is the Transfer of Jurisdiction Order, as well as a certified copy of the judgment for judicial review.

Respectfully submitted,

Chris J. Stanton
Chief U.S. Probation Officer
